02 The read-through

RETROSPECTIVE REPORT. The snapshot was collected at 11:53 IST, after the 07:45 report cutoff; morning availability was not verified. The six-signal score is +1 from 3/6 available signals: FII futures -1, FII cash +1 and DII cash +1. Possible range [-2, +4] spans neutral and bullish, so no final bias is assigned. Nifty options remain provisional; Bank Nifty options are unavailable. Futures build-up remains withheld pending source reconciliation. Cash is labelled ₹ cr per the user's unit assumption without rescaling. Dated NSE MCP values are context, not extra scoring points.
